Today's Gospel

Luke 19:12-28

He said therefore, "A nobleman went into a far country to receive kingly power and then return. Calling ten of his servants, he gave them ten pounds, and said to them, 'Trade with these till I come.' But his citizens hated him and sent an embassy after him, saying, 'We do not want this man to reign over us.' When he returned, having received the kingly power, he commanded these servants, to whom he had given the money, to be called to him, that he might know what they had gained by trading. The first came before him, saying, 'Lord, your pound has made ten pounds more.' And he said to him, 'Well done, good servant! Because you have been faithful in a very little, you shall have authority over ten cities.' And the second came, saying, 'Lord, your pound has made five pounds.' And he said to him, 'And you are to be over five cities.' Then another came, saying, 'Lord, here is your pound, which I kept laid away in a napkin; for I was afraid of you, because you are a severe man; you take up what you did not lay down, and reap what you did not sow.' He said to him, 'I will condemn you out of your own mouth, you wicked servant! You knew that I was a severe man, taking up what I did not lay down and reaping what I did not sow? Why then did you not put my money into the bank, and at my coming I should have collected it with interest?' And he said to those who stood by, 'Take the pound from him, and give it to him who has the ten pounds.' (And they said to him, 'Lord, he has ten pounds!') 'I tell you, that to every one who has will more be given; but from him who has not, even what he has will be taken away. But as for these enemies of mine, who did not want me to reign over them, bring them here and slay them before me.'"

And when he had said this, he went on ahead, going up to Jerusalem.

CONTRIBUTE TO ARMENIAN GENOCIDE EDUCATION IN MICHIGAN

The Armenian Genocide Education Committee (“AGEC”), a 501 (c)(3) non-profit corporation, along with others, brought about a significant change in Michigan Law so that the Armenian Genocide, the Holocaust, and other genocides must be taught in Michigan high schools. The Law provides for a 15-member Governor’s Council to consider the materials to be used and how teachers will teach the subject matter. The Armenian members of the Council will have significant input to create and develop the Genocide curriculum and to represent Armenian interests.

No State funds are to be used and the members of the Governor’s Council will not be paid; however, funds will be needed for staffing, management of the Council, and its programming efforts.

Your financial assistance is necessary for this historic effort to be successful. Please send your tax-deductible contribution payable to “AGEC” c/o our Treasurer Edward Bedikian at 38228 Lana Drive, Farmington Hills, MI 48335
