A Message from our Chair...

Our June meeting using Zoom webinar went pretty well and the feedback was quite positive. It was nice to have so many people join us. We're doing it again on July 1 and, as before, you'll get an email with the link to join the meeting.

Have you checked out our first two videos on *Guild Gatherings*? Our brave volunteers have worked very hard to create videos for you to enjoy and we have many more to come. While I was busy working out the technological end of things, Paulette Apkarian did a fantastic job getting volunteers and setting up a videotaping schedule so the process would run smoothly. Thank You, Paulette!

The Board made our third round of calls to the membership. We continue to enjoy talking to you and hearing about what you have been doing. During these calls, we have also been able to update our directory information with your help. You will see the list of changes in this newsletter. You can print the changes and slip them into your directory.

I recently attended a Zoom meeting with Women's Guild Central Council (WGCC) and other Guild chairmen. During the meeting, Bishop Daniel shared that Armenia is now experiencing a big spike in the COVID 19 virus and is in great need of funds to meet healthcare needs. He asked everyone to please donate to help fight the disease. Go to ArmenianChurch.US and click on the Donate button at the top. Whatever you can give is appreciated. Bishop Daniel also reminded us about our mission to Build Up the Body of Christ, therefore Christ should be at the center of and everything we do. As I reflect on the works of our Women's Guild, I am proud to see that we carry on that mission with open and grateful hearts. I'll share more of his message at our meeting on July 1. I hope you'll join us.

Denise
